Dear Dr. Schmon and Mr. Drakos:

APPROVAL OF SATAJET 4000 B RP/SATAJET B RP 4000 DIGITAL SPRAY GUNS WITHIN SHASTA COUNTY AIR QUALITY MANAGEMENT DISTRICT

In response to an e-mail dated August 19, 2011, from Suzanne Walters, regarding approval of the above-subject spray guns, the Shasta County Air Quality Management District offers the following as official approval.

Please be advised that the Shasta County Air Quality Management District will authorize the use of any spray-coating equipment that can demonstrate at least 65 percent transfer efficiency under the conditions of its use. The material from the South Coast Air Quality Management District (SCAQMD), which you provided with your letter, indicates that your spray gun is capable of meeting this standard. Therefore, the Shasta County Air Quality Management District will authorize the use of the two subject SATA jet guns (SATA jet 4000 B RP/SATA jet B RP 4000 Digital Spray Guns) in Shasta County subject to the same conditions as those mentioned by the SCAQMD in their letter dated June 2, 2011.

Should you have any questions regarding this authorization please feel free to call me at the office, (530) 225-5674 or e-mail me at rebell@co.shasta.ca.us.

Sincerely,

Ross Bell
Air Quality District Manager
